Work Experience

- **Poth Properties / Total Comfort**
 - 2016 – 2018
 - Home renovation and repair including plumbing, electrical, HVAC, drywall, floor, tile and masonry work, insulation, and general construction / maintenance.
 - I frequently use hand drills, sawzalls, skill saws, hammers, screwdrivers, shovels, hilti hammers, pneumatic hammers, etc.
 - This is a family business.
- **IT Intern at Montgomery County Public Schools**
 - June 2016
 - Assist IT professionals with computer repairs, software installs, and computer setup as a summer intern.
- **USPS Rural Carrier Associate**
 - 2012 – 2016
 - Deliver mail in all weather conditions, serving customers on the route, maintaining personal vehicle (changing brakes, tires, belts, radiators, plugs, ball joints, light auto mechanic work) on own time.
- **Front Desk / Themed Party Host at the Christiansburg Aquatic Center**
 - 2013
 - Provide customer service in person/over phone, sell memberships, meet any and all customer needs in a timely manner.
 - Meet with parents and children for birthday parties, setup and host parties, assist theme actors in and out of water.
- **Kroger Produce Clerk**
 - 2012

- Stock shelves, maintain a clean and organized storage room, and provide excellent **customer service**.
- I frequently used a **pallet jack** to move inventory

Additional Experience

- **Poth On Programming Video Log (YouTube Channel)**

- I make HTML5 game design tutorials and web applications. You can see some of my programs on my website or check out my programming tutorials by following the links below.
- I'm great with **HTML5**, **CSS**, **JavaScript**, **NodeJS**, Linux Shell commands, and frequently build web servers, web apps, and game components.
- I frequently use **Github**, **Chrome Dev Tools**, **Atom Editor**, **Open Broadcaster Studio**, **Kden Live**, **GIMP**, **Ubuntu Terminal**, and **YouTube Analytics**
- I also dabble in C++

- **Carpentry and Metalwork**

- I construct wooden bedframes and tables of superior quality and durability using the following tools: **table saw**, **drill press**, **miter saw**, **hand saw**, **hand drill**, **chisels**, **router**, **sander**.
- I can do some handy metalwork based around sheet metal. I make cages for pets and can bend ductwork for air ventilation using the following tools: **shears**, **snips**, **valley pliers**, sheet metal **bend**, **spot welder**.

Education

- **Auburn High School**

- Riner, Virginia
- 2007 – 2011
- 3.5 GPA

- **New River Community College**

- Dublin, Virginia
- No formal degree, but has several course credits

Certification

EPA Section 608 Universal Technician certification #: P4447251F253B56C0

Valid Driver's License #: T63089410 (expires 2020)
